**Decatur Radio Tower (previous Region 5/6):**

During the April 9, 2025 Burt County Board of Supervisors meeting the board had approved Sheriff Nick to proceed with DocuSign paperwork that would revert the tower property (2.41 ac in pt. NE4 NE4 of Sec. 27, TWP 23N, Rge. 10 E. of 6<sup>th</sup> P.M., Burt County, Nebraska) back to USA – General Services Administration. The deed has never been filed with the Register of Deeds office, so Sheriff Nick was asked about where we are with this process. Sheriff reported that the other party never did execute the document on their end; he can't seem to get them to answer when or if they may want to move forward with taking the property back. For the time being, the County will keep the property insured as it is still in our name.

**911 Funds:**

The board met with Sheriff Nick to discuss FY 2024-2025 Audit finding 2025-002 'improper coding of disbursement' regarding improper spending of some of the 911 funds. Sheriff explained it was an error on his part; he mixed up fund 2913 and 2914. Public Service Commission is assisting with instructions on how to fix the mistake; the physical transfers cannot be done within the County's Funds until PSC gives final transfer instructions. The board still recommends Sheriff do some sort of written report back to them regarding his education about the proper use of the funds.

PUBLIC COMMENTS (2): (1)Alex Chandler, Invenergy- update on Beeline Solar Project; still in process of meeting permitting for CUP approval conditions. (2)Gregg Smith, 2170 Co.Rd. 5, Lyons – comments on Co.Rd. L project.

There being no further business to come before the Board at this time, the meeting adjourned at 11:02 A.M. upon motions by Titus and Swanson.  
Next meeting: December 26, 2025 at 9:00 A.M.
